

COACHELLA

Valley Music and Arts Festival

Coachella is one of the world's most **iconic music festivals**, held every April in the California desert. Founded in 1999, it started as a small indie and rock event but has grown into a **global phenomenon**, attracting over 250,000 attendees across two weekends. Known for its star-studded **lineups**, past **headliners** include Beyoncé, Radiohead, Kendrick Lamar, and BLACKPINK, often delivering **historic performances** like Daft Punk's legendary 2006 pyramid show or Beyoncé's 2018 Homecoming-inspired spectacle.

Beyond music, Coachella is a **cultural hotspot**—blending art, fashion, and celebrity sightings. The festival features massive art installations, immersive experiences, and the famous Sahara Tent for EDM fans. Attendees embrace bold, bohemian fashion, making it a runway for trends. Food ranges from gourmet eats to vegan treats, while after-parties and secret sets keep the energy high.

Though tickets are pricey and the desert heat is intense, Coachella's magic lies in its unforgettable moments—whether it's surprise guest appearances, sunrise DJ sets, or just dancing under the palm trees. It's more than a festival; it's a **bucket-list experience** for music lovers worldwide.
